Dear Sir:

The date Sunday, May 7th has been definitely set for the opening of the Negro National League Baseball at Ruppert Stadium in Newark. I am looking forward to have your splendid Band on that occasion.

The ceremonies are scheduled to begin at 2 O'Clock, which means the Band should be there about 1 O'Clock.

I will send you at a later date the fifty tickets you asked for for Members of your School, and will arrange to have them seated in the boxes directly behind the Band. I am sure you should have a very pleasant day and I know our fans will enjoy seeing your lovely Band.

Yours very truly,
